SANTA CLAUS

The Northland Express Has Brought Us Immense
Assortments of Toys and Dolls For The Children.

Sledge load after sledge load of toys, dolls, games and other juvenile delights have been brought down from the ice and snow bound regions where Santa Claus' hidden workshops have been a-hum with industry for months past. The task of distributing gifts to good children has become so great that much of the work has been given to stores like this. And so here you'll find in our Big Toyland on the second floor great stocks of just the goods that Santa Claus will bring to well-behaved little ones on Christmas morning.

Bring the little ones to revel in a display not equaled in this vicinity—there's everything to delight them—dolls of all sizes and kinds for girls—toys, games, sleds, skates, an endless list of amusing and instructive gifts for both boys and girls.

Prices will please parents and others who seek to extend their juvenile gift buying to its fullest scope. Come—where entertainment and economy go hand in hand.

The Unhonored Worthy.

The growing good of the world is partly dependent on unhistoric acts, and that things are not so ill with you and me as they might have been is half owing to the number who lived faithfully a hidden life and rest in unvisited tombs.—George Eliot.

Humiliating.

"And so, Miss Alma, you reject me. Well, to humble your pride a little, I'll tell you that you are by no means the first."—Fliegende Blaetter.

Fresh Air and Milk.

If a child is narrow-chested he should live in the open air as much as possible. Light dumbbells should be used for exercise and he should be given a generous milk diet.

Wants to Help Some One.

For thirty years J. F. Boyyer of Fertile, Mo., needed help and couldn't find it. That's why he wants to be p someone now. Suffering so long himself he feels for all distress from backache, nervousness, loss of appetite, lassitude and kidney disorders. He shows that Electric Bitters work wonders for such troubles. "Five bottles," he writes, "wholly cured me and now I am well and hearty." It's also positively guaranteed for liver trouble, dyspepsia, blood disorders, female complaints and malaria. Try them. 50c at Oberdorfer's.

Bank of Kentucky Quits Business.

The Bank of Kentucky, a state institution and for some time a state depository, located in Lexington, has closed its doors, and its affairs are now in the hands of J. W. Porter, cashier of the First National Bank, who has been appointed assignee for final settlement.

Where His Interest Lay.

It was at a ball game between Chicago and Pittsburg. The score was tied, two men were out, a runner was on third and Hans Wagner was at bat! The crowd was too excited to be noisy, says Lippincott's Magazine. A sporting editor had taken his neighbor to the game. The neighbor was not a fan, but he had succumbed to the delights of "traveling on a pass" and was having a real, garrulous, good time. At the moment when there wasn't a heart beating on the bleachers, and the grand standers were nauseated with suspense, the sporting editor's neighbor emitted this: "Look, Jake! Look at that coke train! Did you ever see one engine pulling so many cars? I'm gonna count 'em!"

The Beauty of Cleopatra

Is not the heritage of every woman. Neither do we promise to make you as pretty as that wonderfully beautiful Egyptian. But we can add charm and a velvety softness to your skin by our massage treatment. It is impossible for us to supply what nature has not. But if you want a peachy, perfect complexion, you'll start the right way by letting us massage your face with massage creams, the purity of which we are ready to vouch for. It is nature's best aid in restoring healthy skin. You can rub and rub and rub the face with soap and still not get it perfectly clean. The massage way is the only way.

TUBULAR BELL CHIME

The Herschede Hall Clock as a timepiece, a tubular chime, and an article of furniture for home, office, or institution, appeals alike to utility, refinement, and musical taste. The perfect movement insures correctness of time; the solid oak or mahogany case, with classic lines, conforms to good taste; and the melodious tubular chimes, sounding the hours and quarters after the peals of Whittington or Westminster, serve as a pleasing reminder of the passing hour. The fifty styles give ample choice in design, size, and price, all showing the moon's phases in the dial arch. We are sales agents for The Herschede Hall Clock Co. of this city, and will send illustrated catalog on request.

Gifts by Mail. You can purchase gifts of Diamonds, Sterling Silver, Sheffield Plate, Gold and Silver Jewelry, Mantel Clocks, Etc., through our Correspondence Department at moderate prices. Correspondence solicited.
